A Community Calendar

Welcome to the LSAG Art Community Calendar—a place to discover art events happening throughout our member league communities.

LSAG Member League representatives are invited to submit art shows, workshops, and special events that are open to the public. LSAG Admin will apply ‘standards’ to ensure consistency (e.g. searchable ‘tags’, each event will display the League’s logo and a link to the event details)

You do not need to be a member of the host league to attend or participate in the events and shows listed here. To keep this calendar useful to the entire art community, members-only events will not be published.

Each calendar listing includes a link to the host league or event page, where you can find complete details, including dates, times, locations, registration information, entry requirements, fees, and other event-specific information.

Submit Judge Information

League representatives can submit updates for the judge list by filling out the form and clicking on SUBMIT.

Submitted information will be reviewed and appropriate updates made to the Judge's data.

Comments & Suggestions submitted on this form are not visible to the membership.

The web admins will have ability to 'cull' judges from the list to insure we provide a quality list of judges the BOD or League Officers would refer to fellow leagues and show chairs.

Judges that have been culled are excluded from the list but will remain in the database. With the appropriate approval they can be reactivated should circumstances change.
